

Mobile Plans

SERVICE SUMMARY

Modern Networks holds strong relationships with a range of mobile phone providers allowing us to offer a wide selection of airtime and data packages that suit your budget and business needs. Whichever plan you choose, Modern Networks will fully manage the service removing the need for our customers to ever have to deal with mobile phone providers. Modern Networks can also procure attractive deals on Android and Apple SIM-free handsets.

KEY BENEFITS

- Wide selection of competitive airtime and data packages
- Reliable coverage and call quality
- Remove administration of dealing with mobile providers.

VALUE STATEMENT

As an IT service provider, we can help reduce your operational costs, conserve your capital budget and lower your IT expenses. By managing your mobile service, we can ensure the right mobile plans are applied across your business. Outsourcing this function enables your team to focus all their time and energy on core business activities and revenue generation while we take care of your mobile phone services.
